**Article VII: Leaves of Absence**

**A. LEAVES OF ABSENCE (GENERAL):**

3. Discretionary leaves of absence, including personal leaves, will not normally be granted during the first and last week of any school year. Exceptions shall be made for approved leaves for illness, grave emergency or religious observance.

Any leaves which might be granted during periods described above will be on a case-by-case basis and will not set precedent in future cases.

**C. LEAVES OF ABSENCE WITH PAY:**

3. **Sick Leave:**

- d. An employee in less than a full-time assignment and/or employed for less than a contract year shall receive and have sick leave deducted in direct proportion to the percentage of the assignment; e.g., an employee with a fifty (50) percent assignment shall earn fifty (50) percent of what a ~~one-hundred (1.00)~~ percent assignment shall earn.

4. **Personal Necessity Leave:** (Use of Sick Leave for personal necessity.)

- b. Where possible, and with the exception of ~~(8)~~ (7) above, employees shall notify the site manager not later than 2:00 p.m. on the day prior to the workday when leave is to be taken.

However, if a school year terminates before the five (5) month period for the same illness is exhausted, the employee may take the balance of the five (5) month period during the subsequent school year. If an employee, having exhausted all available sick leave, continues to be absent on account of illness or accident beyond the five (5) month period and the employee is not medically able to resume the duties of his or her position, the employee, if not placed in another position shall be placed on a reemployment list for a period of twenty-four (24) months if the employee is on probationary status or for a period of thirty-nine (39) months if the employee is on permanent status. The twenty-four (24) month or thirty-nine (39) month period shall commence at the expiration of the five (5) month period. When the employee is medically able during the twenty-four (24) or thirty-nine (39) month period, the employee shall be returned to employment in a position for which he or she is credentialed and qualified.

The District may require an employee to be examined by an independent licensed physician selected by the District to determine whether the illness or injury is related to the same illness or injury previously claimed by the employee for the statutory sick leave.
